

**Upgrade your favorite seating with D-BOX SRP Models**

The adjustable Screening Room SRP-230 and SRP-330 Motion Platforms are perfect for upgrading your existing home theatre seating. This is now attainable by sliding the platform under your current seating (from 50 inches up to 80 inches in width). Our SRP-230 and SRP-330 models enable you to *live the action* with the unique D-BOX movie experience, right next to your loved ones.
