D-BOX Technologies Announces New Movie with Overture Films "The Crazies" In Theatres February 26

Longueuil, Québec (February 17, 2010) – D-BOX Technologies Inc. (DBO.A on the TSX Venture Exchange), a leader in innovative motion technology for the entertainment industry, has announced its second release with Overture Films, *The Crazies*, in theatres February 26.

We are very pleased to be adding a second title with Overture Films to our growing list of D-BOX supported films," said President and Chief Executive Officer of D-BOX Technologies, Claude Mc Master, "This is yet another sign of our constant progress and the industry's approval of our technology."

Directed by Breck Eisner, *The Crazies* is written by Ray Wright and Scott Kosar (*The Amityville Horror*, *Texas Chainsaw Massacre*) and features Timothy Olyphant, Radha Mitchell, Joe Anderson, Danielle Panabaker. The American dream goes horribly wrong when the residents of this picture-perfect town begin to succumb to an uncontrollable urge for violence and the horrific bloodshed escalates into anarchy. In an attempt to contain the epidemic, the military uses deadly force to close off access into or out of town, abandoning the few healthy citizens to the growing mayhem as depraved killers lurk in the shadows.

About D-BOX

D-BOX Technologies designs and manufactures leading edge, high-technology motion systems mainly suited to the needs of the entertainment industry. With its unique, patented technology, D-BOX Motion Code™ uses motion effects specifically programmed for each film, TV program or video game, which are sent to a motion generating system integrated within either a platform or a seat. The resulting motion is perfectly synchronised with all onscreen action, creating an unmatched realistic, immersive experience.

To date, D-BOX Motion Code™ is available on more than 900 titles. Accordingly, many prominent Hollywood studios have started embedding D-BOX Motion Code™ on selected high definition Blu-ray™ releases. By reaching agreements with the leaders of both the motion picture and gaming industries, D-BOX's award-winning motion technology is gradually proving itself as a new global standard in the entertainment world. D-BOX is a publicly traded company listed on the TSX Venture exchange under the symbol DBO.A. For further information please see www.d-box.com.
