

**PRESS RELEASE  
FOR IMMEDIATE DISTRIBUTION**

## **D-BOX Closes Deal With Walt Disney Studios Home Entertainment**

*Beginning with "The Game Plan," Walt Disney Studios Home Entertainment will include D-BOX MOTION CODE™ on select High Definition Blu-ray Disc® titles.*

**Longueuil, Quebec, December 3, 2007** – D-BOX Technologies Inc. (TSX-V: DBO.A) announced today that it has closed a licensing agreement with Walt Disney Studios Home Entertainment (WDSHE) to feature D-BOX MOTION CODE™ on select Blu-ray Disc releases. D-BOX MOTION CODE™ will initially be featured on WDSHE's "The Game Plan," which will be available in high-def only on Disney Blu-ray Disc on January 22, 2008.

The addition of the D-BOX MOTION CODE™ to the high quality picture and sound of the Blu-ray format will transport movie-viewers in the comfort of their homes to a new dimension and let them be part of the movie. Of course, only those homes equipped with D-BOX motion generation systems will enjoy the full benefit of the Blu-ray Disc-embedded with D-BOX MOTION CODE™.

"This is a very special time for D-BOX, as our technology will be used by another one of the largest movie studios worldwide," stated Claude Mc Master, President and Chief Executive Officer of D-BOX Technologies. "As a Contributor member of the Blu-ray Disc Association, we also want to show our strong support for the high definition Blu-ray format. We are very proud of having Walt Disney Studios Home Entertainment on board as it will undoubtedly accelerate the penetration of our technology worldwide and will significantly enhance our efforts to become a world standard in the entertainment industry."

"With the amazing picture and sound quality of our High Definition Blu-ray titles, D-BOX MOTION CODE™ Technology is the perfect addition to further engage viewers in an immersive experience," added Gordon Ho, Executive Vice President of Worldwide Marketing, Creative Content and Business Development for Walt Disney Studios Home Entertainment.

### **About D-BOX**

D-BOX Technologies designs and manufactures high-technology motion systems destined mainly for the entertainment industry. Its unique, patented technology uses motion codes specifically programmed for each film, TV program or video game, resulting in motion that is perfectly synchronized with on-screen action. By forming strong industry alliances, D-BOX's award-winning motion technology is creating a global standard in the entertainment world. D-BOX™ is a registered trademark and Motion Code is a trademark of D-BOX Technologies Inc. Other names are for informational purposes only and may be trademarks of their respective owners.

### **Forward-Looking Statements**

*Certain statements included herein, including those that express management's expectations or estimates of our future performance, constitute "forward-looking statements" within the meaning of applicable securities laws. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management at this time, are inherently subject to significant business, economic and competitive uncertainties and contingencies. We caution that such forward-looking statements involve known and unknown risks, uncertainties and other risks that may cause our actual financial results, performance, or achievements to be materially different from our estimated future results, performance or achievements expressed or implied by those forward-looking statements. Numerous factors could cause actual results to differ materially from those in the forward-looking statements, including without limitation, our ability to achieve increased market acceptance for our product offerings and penetrate new markets; the existence of undetected errors or similar problems in our products; our ability to manage our growth; our ability to*

*compete successfully; potential liabilities; maintaining our intellectual property rights and litigation involving intellectual property rights; our dependence on the expertise of our key personnel; and our access to sufficient capital to fund our future requirements. This list is not exhaustive of the factors that may affect any of our forward-looking statements. Investors are cautioned not to put undue reliance on forward-looking statements. All subsequent written and oral forward-looking statements attributable to D-BOX or persons acting on our behalf are expressly qualified in their entirety by this notice. We disclaim any intent or obligation to update publicly these forward-looking statements, whether as a result of new information, future events or otherwise. Risks and uncertainties about our business are more fully discussed in our Annual Report.*
