OUTLOOK

D-BOX focuses on two major development areas: the entertainment market and the industrial market which have their respective sub-markets. In light of the business development activities in each of these two markets, D-BOX anticipates the general upward trend in revenue to continue.

In combination with this expected growth of revenue, D-BOX also forecasts to gradually increase the level of its operating expenses aiming, amongst others, to support the sales and marketing of technological innovations that will help solidify D-BOX's position in existing sub-markets and will facilitate entering new ones. Generally speaking, the Corporation aims to maintain a positive adjusted EBITDA and intends to manage its operations accordingly.

RECONCILIATION OF ADJUSTED EBITDA TO NET INCOME (LOSS) **
