OPERATIONAL HIGHLIGHTS

- In the last twelve months, D-BOX increased by 33% the number of screens signed to 420.
- D-BOX continues its deployment in China, one of the fastest growing market in the world for commercial theatre exhibitors. As at September 30, 2015, D-BOX had 10 screens installed in the country compared to 1 screen installed as at September 30, 2014. Furthermore, D-BOX is actively pursuing its business development activities in this high-potential country.
- D-BOX demonstrates its capacity to participate in the convergence between virtual reality and the entertainment world by establishing a partnership with Sony Pictures Entertainment (SPE) in the context of the launch of the Goosebumps movie. This partnership will serve as an important technological showcase for the D-BOX immersive experience in eleven cities across North America.
- Progression in the industrial market with the installation of two new sites: the *Museo Interactivo Audiovisual of Las Condes* (Chile) (www.mui.cl), and the Richmond Olympic Experience (ROX), the first member of the network of museums of the international Olympic Committee located in North America (www.therox.ca).

Commenting on the quarterly results, Mr. Claude Mc Master, President and Chief Executive Officer of D-BOX, declared: "We are very pleased to demonstrate again that our second quarter results continue to show an upward trend in revenue and a positive adjusted EBITDA. Our growth strategy combined with a solid financial situation bodes well for the results of the upcoming quarters".

OUTLOOK

D-BOX focuses on two major development areas: the entertainment market and the industrial market which have their respective sub-markets. In light of the business development activities in each of these two markets, D-BOX anticipates the general upward trend in revenue to continue.

In combination with this expected growth of revenue, D-BOX also forecasts to gradually increase the level of its operating expenses aiming, amongst others, to support the sales and marketing of technological innovations that will help solidify D-BOX's position in existing sub-markets and will facilitate entering new ones. Generally speaking, the Corporation aims to maintain a positive adjusted EBITDA and intends to manage its operations accordingly.

RECONCILIATION OF ADJUSTED EBITDA TO NET INCOME (LOSS)**

The adjusted EBITDA provides useful and complementary information which allows, among other things, the evaluation of profitability and cash flows provided by operations.
