

**D-BOX Technologies To Launch the First All D-BOX Theater in China  
with Shanghai Bestar Cinemas Management Co., Ltd**

**Longueuil (Québec, Canada) September 20, 2016** – D-BOX Technologies Inc. (D-BOX) (TSX: DBO), a pioneer and world leader in immersive cinematic D-BOX Motion Code®, will install a full-size auditorium with D-BOX high-fidelity motion systems with Shanghai Bestar Cinemas Management Co., Ltd. The theater situated in Haikou, in the province of Hainan, will be branded as Bestar D-BOX Cinema and will be able to seat 143 moviegoers and will be the first venue in China to offer an entire audience the full D-BOX experience.

President & CEO of D-BOX, Claude Mc Master adds: “To provide one complete auditorium equipped with our immersive motion seating technology is a great moment for us, but more importantly, for moviegoers, who will now be part of an experience in which everyone in the room will be on the same wavelength. “From a business perspective, this contract underlines just how scalable our technology is and demonstrates how we can accommodate all types of auditorium and space considerations. This is another step to provide top-tier premium entertainment in a very fast-growing market.”

Mr. Wang Zheng, GM at Shanghai Bestar Cinemas Management Co., Ltd. comments “To have one entire auditorium equipped with our immersive motion seating technology has always been a part of our bigger plan so this is a big achievement for us. There’s an insatiable demand in China for newer, better, more exciting theatre venues which is why we are so delighted to partner with D-BOX. Their passion and commitment to innovation aligns perfectly with our company’s vision to offer a unique movie-going experience that delivers plenty of added value for our customers.”
