

D-BOX Technologies and Cineplex Entertainment extend agreement to add D-BOX Motion Seats in 10 auditoriums across Canada

Longueuil, (Quebec, Canada) - September 27, 2016 - D-BOX Technologies Inc. (TSX:DBO) (D-BOX) and Cineplex Entertainment ("Cineplex") (TSX: CGX) announced today their agreement to install additional D-BOX high fidelity motion systems in 10 of Cineplex's theatres across Canada. This announcement brings the total number of auditoriums that feature the D-BOX experience to 77. Installations will begin soon and are expected to be completed by year end.

"As a Canadian company that's been experiencing a lot of growth overseas, we are always happy to build on our footprint here at home. Cineplex has a reputation as one of North America's top operators so the fit between us is perfect," stated Claude Mc Master, President and CEO of D-BOX. "This contract means we can introduce more and more Canadians to a premium entertainment experience that really has no equal on the market."

"Whether they're watching the latest action movie or a suspenseful thriller, D-BOX Motion Seats immerse our guests that much further into the movie-going experience," said Pat Marshall, Vice President, Communications and Investor Relations, Cineplex Entertainment. "Our guests love feeling like they're a part of the action on the big screen and we look forward to bringing the D-Box experience to even more people across Canada with these new installations."

Specific theatre locations will be announced closer to their opening dates.
